- f. Continued discussion of the possibility of a new printed church directory. Recognized that the project would not be possible in 2022 because of Covid issues and staff shortages. The committee members will generate more questions and ideas for further discussion at the April meeting. Vern will ask Rick Blum if he has any information about what cost is involved if we work with a company such as Lifetouch.
- g. Noted the April meeting date will be April 7th because the second Thursday is Maundy Thursday.
