Social Action Committee

12/13/2023

Topics Discussed:

- Annie Tereba welcomed as guest
- Outreach Month plans-January 2024
- Climate change
- General announcements and updates re existing ministries and upcoming events at GS. GS's Food Pantry is the busiest it has ever been—lots of need in the community.

Items of importance to Board:

- In January 2024, we will celebrate Outreach Month at Good Shepherd. This is a chance to highlight our outreach ministries, to acknowledge the many congregational volunteers and community partners involved, and to focus on how we answer God's call to service. We ask the Board to keep Good Shepherd's Outreach Ministries in prayer.
