Pastor's Note

We Welcome All People

Rev. Chris Enstad
Lead Pastor
censtad@gslcwi.com

Fall brings with it a new program year of mission and ministry. The promise of the resurrection of Jesus Christ is the Gospel Good News that continues to energize us as God's people year after year at Good Shepherd!

This coming year will be unlike any of the years that preceded it. We are entering into a new era of ministry as a congregation and I am excited about where God is leading us in the Holy Spirit. First, we have two amazing task forces hard at work on our vision and leadership alignment. These dedicated lay people, board members and staff are meeting every other week to listen, laugh, talk, pray and discern how we can best frame the work we are called to do as a church; at the same time, a group is making sure that our leadership is transparent and streamlined to accomplish the tasks that God has set out for

us. You will hear more from these two groups in the days and weeks to come and there will be further invitations to participate not only in these groups but in the three task forces that have yet to be formed! Second, in this newsletter you will read a welcome letter from Good Shepherd's Reconciling in Christ task force. This is a group of fellow Good Shepherd members who have been asking if our mission statement truly means "all are welcome." The Christian church has often been less than welcoming, and, in fact, has, at times, committed great violence against people who identify as lesbian, gay, bisexual or transgender. I believe it is important for us to have this conversation as a church so that we can truly say to those who walk through our doors "All are welcome and all means all." There will be many opportunities to engage in this conversation as well and there is no set date and no set outcome to these conversations. My hope is that we

can move through this conversation dedicated to the unity we have already found in Jesus Christ and without calling into question the dignity or humanity of any of our siblings in Christ no matter which perspective they are coming from. We seek to be an authentic community that welcomes all people. And finally, please welcome Becca Mortensen to the Good Shepherd church staff as our new Director of Youth and Family Ministry. I am grateful to the Youth and Family committee and the entire Children, Youth and Family staff for their prayerful discernment on who God has led to walk alongside us in this important area of ministry. Becca, myself, the Youth and Family Committee and Sarah Iverson will be working together to make the coming months a smooth transition as Sarah begins her new role as Director of Spiritual Programming and Development. Welcome to Good Shepherd, Becca!

Drama Ministry Plans Christmas Presentation

Whether you enjoy being in front of the spot light or operating it from the balcony, there is always room for more in drama ministry. Consider being part of this year's Christmas presentation. All are welcome (Seeking a male youth in middle school or high school). Questions? Contact Mike Harper (madharper50@att.net).

Becca Mortensen named Director of Youth and Family Life at Good Shepherd

Becca Mortensen has accepted Good Shepherd's call to serve as Director of Youth and Family Life. She will start on Tuesday, September 4th.

For the past two years, Becca has served as the Program Coordinator at Crossways Camping Ministries, which manages Pine Lake Camp and other camps in Wisconsin. Becca will work closely with Sarah Iverson over the next year in programs like AMPED and youth ministry as Sarah transitions to a broader role inside the congregation.

"I am simply thrilled to be joining the Good Shepherd community," said Becca. "I am excited to

reconnect with the youth and families I've seen coming to camp the past few years and can't wait to continue getting to know the folks who make up the community at Good Shepherd. I accept coffee shop recommendations, band suggestions, and neighborly hellos anytime, so don't be a stranger."

Becca was hired following a search conducted by the Youth and Family Committee at Good Shepherd over the summer. She is originally from the Milwaukee area and is a graduate of UW-Eau Claire, where she majored in organizational communications and double

minored in Spanish and Religious Studies. She has worked at Crossways since graduating from college in 2016.

"My heart for ministry has always been there but really grew through religious studies courses, campus ministry experiences, and working for Crossways Camping Ministries," said Becca. "I love spending time making music, reading, hiking, learning new skills, listening to podcasts, and connecting with others over a hot beverage."

Welcome Becca to mission in ministry alongside our youth and families at Good Shepherd!

Mission in Motion/General Fund Update

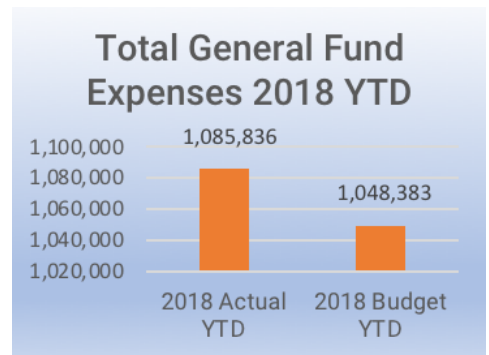

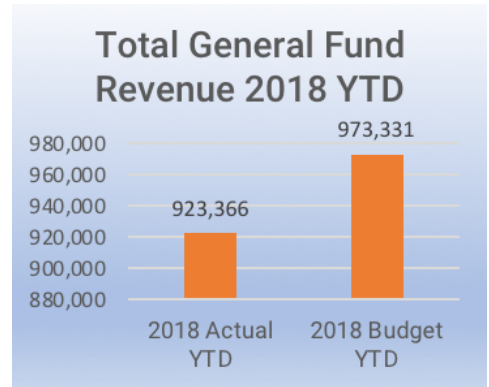

This month, we want to update you on our current Mission in Motion (MIM) campaign, which has been used to raise funds to pay the mortgage, make improvements to both campuses and create a reserve for six months of mortgage payments.

Until this year, MIM campaign donations were on pace to keep up with the intents to give from our initial campaign. But we have fallen behind in collecting intents to give for this campaign, which ends on December 31, 2018.

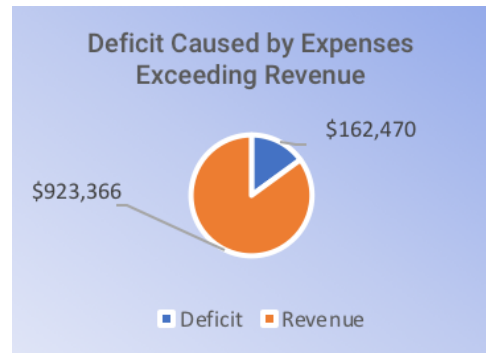

Our current giving shortfall is over \$265,000. It's anticipated to be more than \$200,000 by the end of the campaign if giving continues at the same pace. Our current mortgage payment is \$22,850 per month. In more than half the months of 2018, we have not collected enough contributions to meet our mortgage payment target.

This gap has not kept donations already made in previous years from making a positive impact. We have made long-needed improvements in the Narthex and Peterson Hall and renovated the restrooms in Madison. Due to initial generous gifts, prepayments on intents to give, and continued monthly receipts, we have maintained our six-months payment cash reserve and are meeting all our monthly mortgage obligations. However, we will need to use more of our reserve funds than anticipated if we continue this trend.

Thank you for your generosity and continued support of Good Shepherd. If you would like to see where you are with your pledge or would like to know how to give to this campaign, there are several ways to do this. You can give online or use auto-deduction from a checking or savings account monthly. If you have any questions, please contact us at finance@gslcwi.com.

Current Revenue Shortfall Overall Compared to Budget YTD
\$49,965

Note: \$162,470 deficit offset in part by \$70,990 given last year for 2018.

Note: Most of the higher expenses (\$33,722) due to Youth Trip to Houston, which was budgeted and paid for, but not reflected in historical budget number above.

Where all really means all

RIC Task Force launches effort for congregation to consider a welcome to all just as God welcomes all.

Rachel Kleber
Task Force Chair
ric@gslcwi.com

Good Shepherd's Reconciling in Christ (RIC) Task Force is exploring to what degree our congregation extends a welcome and a message of belonging to people of all races, socio-economic circumstances, sexual orientations, gender identities and expressions, political affiliations, and levels of belief or doubt. Unfortunately, these groups continue to experience exclusion and harm. Even churches that declare "All are welcome" often demonstrate to these societally marginalized groups that the welcome does not include them. For this reason, the invitation must specifically mention such groups. Many of our new and longstanding members speak of the welcome they felt when first walking through our doors and how that impacted their decision to make Good Shepherd their church home. This task force is the next step in our congregation's commitment to hospitality for all people. The RIC Task Force has been recognized by the Good Shepherd Board and has collaborated with Good Shepherd's Leadership Team, conducting over 50 conversations with church members and leaders about deepening and expanding our public welcome. Feedback has been positive; expressing a desire to walk this journey together as we learn

more about who we are. Engaging in a welcoming process will deepen the faith life of Good Shepherd. The process Good Shepherd's RIC Task Force is following for gracefully engaging ELCA congregations in such conversation about welcome comes from Reconciling Works, a Lutheran organization that has been doing this work since 1974. Within the next 6-12 months, this process will help us to discern if we should adopt a welcome statement something like the following: "We welcome all who are seeking God's love and grace. We welcome all because God welcomes all, regardless of race or culture, sexual orientation, gender identity or expression, or relationship status. We welcome all without regard to addictions, physical or mental health, imprisonment, socio-economic

circumstances, or anything that too often divides us. Our unity is in Christ." More sample welcome statements and information about process can be found at reconcilingworks.org or by contacting one of the Task Force members at RIC@gslcwi.com or at our website at gslcwi.com/connect/adults/.

The RIC Task Force would like to invite you to the first of many educational, listening and panel discussions as we embark on this journey of discovery. Please join us for "Wide Welcome" a 3-session study on biblical hospitality. Sessions will discuss stories from the Old Testament and New Testament on what it means to be welcomed and belong to the Body of Christ. Meanwhile, if you're interested in being a part of the welcoming process to see that ALL really means ALL at Good Shepherd, we invite you to become part of the Reconciling in Christ Task Force by contacting one of the pastors or emailing RIC@gslcwi.com. Remember...you belong at Good Shepherd. There's room for everyone at the table, and that includes you!

Need a Ride To Church?

Do you want to attend church on a regular basis, but don't have transportation? Thanks to a generous gift given to Good Shepherd's Foundation in 2005, we are able to provide bus service for up to 9 members for the 10 a.m. service at the Madison Campus. The bus picks up members from their homes in Verona and the West / South side of Madison.

If you're interested in regularly participating in this wonderful ministry, please call the church office or email Judy Hoard at jhoard@gslcwi.com to request a ride.

See you at church!

Technology Committee

Thanks to a grant from the Good Shepherd Foundation, we have launched a new Digital Signage Network to help welcome visitors, share announcements and promote upcoming events. The first screen was installed at the Verona campus in August with more screens to come at both campuses early this Fall.

Interested in being a part of exploring new ways to improve technology at Good Shepherd? Send an e-mail to eholmer@gslcwi.com to get involved with the Technology Committee.

Creation Care Expands

Creation Care Ministry is broadening its activities to work with and support other Good Shepherd Ministries. In accord with Genesis 2:15 where Adam (mankind) is taught to, "serve the garden and keep it," Creation Care Ministry is developing service ideas to enhance inputs to composting at the Verona Campus. Among other benefits, composting at the Verona Campus will serve the Food Pantry Garden which is in its first year of operation. Our first step is to transport vegetable trimmings collected at the Madison Campus Food Pantry to the Verona Campus for incorporation with other composting vegetation. A small group of 3 to 5 individuals will tend to this first step and work with other committees to develop additional ideas enhancing Verona Campus composting. This will be a slow as you go operation so it works for the benefit of all of us. If you are interested in joining a small group that will develop and tend this activity, contact Tom Foltz (tomfoltz3@gmail.com) or Eileen Porter (hporter2@wisc.edu).

Holy Yoga Returns

Holy Yoga at Good Shepherd will begin again for the fall on September 18 and run to Thanksgiving! Partnering with Orchard Ridge

It is the beginning of a new school year. Good Shepherd plays a vital role in partnering with Orchard Ridge Elementary School which is located just a few blocks from our Madison campus. We provide support in a number of areas including donating school supplies and snacks.

Do you remember how fun it was to get a new box of crayons at the beginning of the school year? If you haven't had a child in school recently, you may be surprised at what children are expected to supply. For many families, this is a significant expense. A supply list can be found at <http://gslcwi.com/orchard-ridge> or picked up at either campus. Donations of snacks and school supplies may be left in the bins at both the Verona and Madison campuses. Thank you for your support.

Snacks for Orchard Ridge

Some suggested snacks to start the school year for the kids at Orchard Ridge are pretzels, crackers, fruit snacks, popped popcorn, "finger" cereals, and Goldfish. Individual serving bags are appreciated but, all sizes are welcome.

More ways to Serve our Congregation and Neighbors

Coat Drive

Help keep someone warm this winter. We are looking for new or gently used adult-sized coats for those in need. You may drop off coats any time between now and October 14th. Look for a collection rack in the lobby of both the Madison and Verona campuses. Coats should be in good/useable condition. This is a special collection for adult coats only – children's coats (and clothing) may be donated at any time to our existing clothes closet.

Also, we need volunteers to help with coat distribution. Shifts are 9:15 am – 12:15 pm or 5:15 – 7:15 pm on October 18th or October 25th. If you could help during one of these time periods, please contact Kathy Lyman at kathyandross@gmail.com or (815) 236-6680.

Craft Handmade Cards with the Card Ministry on September 17th

Help Good Shepherd staff bring Christian caring to our congregation by crafting handmade cards. No past experience is needed and all materials are prepared. We hope you will join us! Our next meeting will be in The Good Shepherd Room at the Madison Campus on Monday, September 17, from 1:00-3:00. If you have questions, please contact Susie or Ruth at cardsministry@gmail.com.

Your Help is Needed with the HOFF Ministry

The HOFF (Household of Family Fund) is used to help members of Good Shepherd and community members who live in our Neighborhood Service Area with financial assistance. We help our neighbors with household assistance on a one time basis. Checks can be made to Good Shepherd Lutheran Church with HOFF written in the memo line. Thanks for your continuing support of this very important ministry.
